E-mail					
Telephone					
Title of proposed research					
Promoters					
• Appointment					
• Department					
• E-mail					
Brief summary of proposed research (max 6 lines)					
Objective (s)					
Object design	<input type="checkbox"/> Diagnostic	<input type="checkbox"/> Etiognostic	<input type="checkbox"/> Prognostic	<input type="checkbox"/> Therapeutic	<input type="checkbox"/> Method
Sub-type	<input type="checkbox"/> test accuracy		<input type="checkbox"/> fundamental	<input type="checkbox"/> RCT	
	<input type="checkbox"/> added value		<input type="checkbox"/> factor	<input type="checkbox"/> non-RCT	
	<input type="checkbox"/> prediction		<input type="checkbox"/> added value	<input type="checkbox"/> observation	
	<input type="checkbox"/> intervention		<input type="checkbox"/> prediction		
	<input type="checkbox"/> prognostic		<input type="checkbox"/> stratified		
Method design					
1. Patient domain					
2. Occurrence equation					
3. Study base	Membership	Manipulation of x	Calendar time		
	<input type="checkbox"/> cohort	<input type="checkbox"/> randomized	<input type="checkbox"/> prospective		
	<input type="checkbox"/> case-control	<input type="checkbox"/> non-randomized	<input type="checkbox"/> retrospective		
	<input type="checkbox"/> cross-sectional	<input type="checkbox"/> observational	<input type="checkbox"/> ambispective		
4. X variable (s) & Time of measures					
5. Y variable (s) & Time of measures					
6. Potential confounding					
Ethical committee	<input type="checkbox"/> Full board	<input type="checkbox"/> Partial board	<input type="checkbox"/> Waivable		
Patient consent	<input type="checkbox"/> Signed consent	<input type="checkbox"/> Verbal consent	<input type="checkbox"/> Waivable		
Timetable & planned publications (max 4 lines)					
Signature	1 st promotor	2 nd promotor	MS.-candidate
