## **ACKNOWLEDGEMENTS**

Firstly, I would like to thank Dhurakij Pundit University for awarding me a research grant to undertake this research project. Secondly, I would also like to extend my appreciation to all respondents for their cooperation throughout the in-depth interviews. This research would never have been possible without their generous and invaluable input. Last but not least, I would like to acknowledge and extend my heartfelt thanks to my parents and brother for their ongoing encouragement and support throughout this research.
